

Other applications — bamboo / reed screens beyond fencing · Banners 16:9 (1792×1024)

Attach your bamboo or reed screen / roll material, then copy a whole block.

Here the material is used overhead (roofs, pergola tops, ceilings), as awnings/canopies, or as cladding — not as a vertical garden fence. "the attached screen material" = the image you attach.

01 · Pergola shade roof (rooftop terrace)

Use the attached image as the exact reed / bamboo roofing-roll material laid over the pergola rafters overhead — match its weave, texture, colour and direction faithfully; it is the real installed overhead shade roof, in sharp focus, as part of this scene. A stylish rooftop terrace with a timber pergola whose top is covered by the attached screen material, casting soft striped shade over an L-shaped sofa with cushions, lanterns and trailing greenery, a bright sky beyond. Warm late-afternoon light filtering through the roof, relaxed urban-garden mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

02 · Covered patio ceiling cladding

Use the attached image as the exact bamboo / reed ceiling-cladding material fixed to the underside of the patio roof overhead — match its weave, texture, colour and direction faithfully; it is the real installed ceiling surface, in sharp focus, as part of this scene. A modern covered patio where the ceiling is clad in the attached screen material between dark timber beams, over a lounge with a sofa, coffee table and potted plants, glass doors to the house behind. Warm diffused daylight, cozy contemporary indoor-outdoor mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

03 · Café / restaurant terrace canopy

Use the attached image as the exact reed / bamboo canopy material stretched over the terrace frame overhead — match its weave, texture, colour and direction faithfully; it is the real installed shade canopy, in sharp focus, as part of this scene. A charming café terrace with small bistro tables and rattan chairs beneath a canopy made of the attached screen material, warm pendant lights hung underneath, planters of greenery framing the edges. Soft warm afternoon light dappling through the canopy, inviting hospitality mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

04 · Beach / tiki bar roof

Use the attached image as the exact reed / bamboo roofing material covering the open-sided bar roof overhead – match its weave, texture, colour and direction faithfully; it is the real installed thatched-style roof, in sharp focus, as part of this scene. A relaxed beach bar with a timber-framed open roof covered in the attached screen material, a polished bamboo counter, stools, hanging lanterns and palms, soft ocean and sky beyond. Warm golden-hour tropical light, easy holiday mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

05 · Carport / driveway shade roof

Use the attached image as the exact reed / bamboo roofing-roll material laid across the carport frame overhead – match its weave, texture, colour and direction faithfully; it is the real installed shade roof, in sharp focus, as part of this scene. A clean modern carport beside a house, its open timber-and-steel frame topped with the attached screen material casting soft striped shade over a smooth concrete drive, a clipped hedge and a wall light alongside. Bright even daylight, smart practical-but-stylish mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

06 · Interior ceiling feature (loft restaurant)

Use the attached image as the exact bamboo / reed ceiling-cladding material fixed across the ceiling overhead – match its weave, texture, colour and direction faithfully; it is the real installed ceiling surface, in sharp focus, as part of this scene. A warm interior dining space with the ceiling fully clad in the attached screen material between exposed beams, pendant lights hanging down over timber tables and woven chairs, large windows with soft daylight. Inviting natural-material restaurant mood, warm tones. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

07 · Window awning / sunshade

Use the attached image as the exact reed / bamboo awning material angled over the window as a sunshade – match its weave, texture, colour and direction faithfully; it is the real installed awning, in sharp focus, as part of this scene. A sunny house façade with a large window shaded by an awning of the attached screen material on a simple timber frame, climbing greenery to one side, a couple of potted plants on the sill below. Bright midday light with crisp shade cast by the awning, fresh Mediterranean-home mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

08 · Poolside cabana roof

Use the attached image as the exact reed / bamboo roofing material covering the cabana roof overhead – match its weave, texture, colour and direction faithfully; it is the real installed shade roof, in sharp focus, as part of this scene. A luxury poolside cabana with four timber posts and a roof of the attached screen material, a white-cushioned daybed and sheer curtains beneath, turquoise pool water and palms alongside. Warm bright resort light with soft shade under the roof, indulgent holiday mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

09 · Market stall / shop awning

Use the attached image as the exact reed / bamboo awning material stretched over the stall frame overhead – match its weave, texture, colour and direction faithfully; it is the real installed shade awning, in sharp focus, as part of this scene. A characterful open-air market stall or shopfront with a timber frame topped by the attached screen material, crates of produce and woven baskets displayed below, warm lanterns and greenery at the edges. Warm morning light filtering through the awning, lively artisan-market mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

10 · Interior wall cladding feature

Use the attached image as the exact bamboo / reed wall-cladding material covering the feature wall – match its weave, texture, colour and direction faithfully; it is the real installed wall surface, in sharp focus, as part of this scene. A warm contemporary interior where one full feature wall is clad in the attached screen material behind a low sofa, a slim console with a vase, a floor lamp and a leafy plant, soft daylight from the side. Calm natural-material living-room mood, warm neutral palette. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.
