

Garden-scene prompts — Set Four · Banners

16:9 (1792×1024)

Attach your fence material (reed / bamboo / willow / bark), then copy a whole block below.

Each block is complete (no assembly needed). "the attached screen material" = the image you attach.

Save results like g4-banner-01-bamboo.jpg, g4-banner-12-reed.webp.

Nordic / Scandinavian set — 16:9 (1792×1024)

01 · Nordic birch courtyard

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A serene Scandinavian courtyard with slender white birch trees, pale gravel, a simple light-oak bench and a few large boulders softened by moss. The boundary screen behind is the attached screen material. Cool, soft overcast Nordic daylight, muted minimalist palette, calm hygge mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

02 · Scandi deck with sauna (dusk)

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A minimalist Scandinavian timber deck at blue-hour dusk with a small black sauna cabin, a wood-fired hot tub gently steaming, a folded wool blanket and a lantern. The privacy screen enclosing the deck is the attached screen material. Cool twilight with warm window glow, tranquil Nordic wellness mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

03 · Hygge dinner garden (string lights)

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A long pale-wood Scandinavian dining table set simply with linen, ceramics and candles, warm string lights overhead, surrounded by ornamental grasses and a single birch. The boundary fence is the attached screen material. Soft Nordic summer-evening light, cozy hygge glow. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

04 · Snowy Nordic winter terrace

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A crisp Scandinavian winter terrace with a light dusting of snow, a wool-draped outdoor armchair, a glowing fire bowl and a frosted potted spruce. The screen behind is the attached screen material. Cold pale daylight with warm fire glow, still and quiet Nordic winter mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

05 · Nordic lakeside cabin garden

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A peaceful Nordic lakeside garden beside a red-and-white timber cabin, smooth grey rocks, pine and a weathered wooden Adirondack chair facing a calm lake. The garden screen along the boundary is the attached screen material. Soft cool Scandinavian summer light, serene lakeside calm. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

06 · Minimalist Scandi gravel garden

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A pared-back Scandinavian gravel garden with a single sculptural multi-stem tree, clipped low grasses, a pale stone path and one minimalist concrete bench. The enclosing screen is the attached screen material. Flat soft Nordic overcast light, quiet architectural minimalism. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

07 · Nordic plunge & wood-tub corner

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A calm Scandinavian wellness corner with a round wooden cold-plunge tub, a slatted pale-timber duckboard floor, rolled white towels on a bench and a birch sapling. The screen enclosing the nook is the attached screen material. Cool soft morning Nordic light, fresh restorative mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

More garden scenes — 16:9 (1792×1024)

08 · Wildflower meadow garden

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A relaxed wildflower-meadow garden with drifts of cosmos, poppies and ornamental grasses swaying around a simple timber bench and a stepping-stone path. The boundary fence is the attached screen material. Warm soft late-afternoon light, gentle naturalistic mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

09 · Modern courtyard with olive tree

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A clean contemporary courtyard with a sculptural potted olive tree, smooth microcement floor, a low built-in bench with linen cushions and a slim water trough. The enclosing wall is the attached screen material. Bright Mediterranean daylight with soft shadows, calm modern mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

10 · Rooftop garden bar (evening)

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A stylish rooftop garden bar at dusk with a timber counter, bar stools, planters of grasses and warm pendant lights, a soft blurred city glow beyond. The terrace privacy screen is the attached screen material. Warm evening light, sophisticated urban-garden mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

11 · Courtyard koi pond

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A tranquil courtyard with a still koi pond edged in dark stone, a flat stepping stone, a clipped maple and a stone lantern with soft reflections on the water. The perimeter screen is the attached screen material. Soft overcast light, meditative zen mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

12 · Pergola lounge with sheer curtains

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A breezy garden pergola lounge with sheer white curtains drifting in the wind, a low cream sectional with cushions, a rattan coffee table and trailing greenery overhead. The wall behind is the attached screen material. Warm soft afternoon light, airy resort-at-home mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

13 · Townhouse patio garden

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A neat townhouse patio with grey porcelain pavers, a compact corner sofa, layered potted greenery and a slim olive tree in a tall planter. The boundary screen giving privacy from neighbours is the attached screen material. Bright soft daylight, tidy contemporary city-garden mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

14 · Greenhouse kitchen garden

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A productive kitchen garden beside a glass greenhouse with timber raised beds of leafy greens and herbs, a gravel path and a galvanised watering can. The fence enclosing the plot is the attached screen material. Fresh bright morning light, wholesome grow-your-own mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

15 · Outdoor shower garden

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A resort-style garden outdoor shower with a matte-black rain head on a timber post, a slatted duckboard floor, a stone bowl and rolled towels, surrounded by ferns and tall grasses. The privacy screen enclosing it is the attached screen material. Bright dappled sunlight, fresh spa-holiday mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

16 · Fire-pit lounge (autumn)

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A circular gravel lounge with a low steel fire pit glowing, wooden chairs with wool throws, ornamental grasses and copper-toned autumn foliage. The screen enclosing the lounge is the attached screen material. Soft late-autumn light with warm fire glow, snug seasonal mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

17 · Poolside cabana day-bed

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A luxury poolside corner with a curtained day-bed cabana, plump white cushions, a teak side table and palms reflected in calm turquoise water. The privacy screen behind is the attached screen material. Warm bright resort light, indulgent holiday mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

18 · Balcony herb garden

Use the attached image as the exact balcony privacy screen material – match its texture, weave, colour and direction faithfully; it is a real installed balcony screen seen at mid-distance, in sharp focus, as the backdrop of this scene. A compact apartment balcony with a small bistro set, tiered pots of herbs and trailing greenery, a watering can and a soft outdoor rug, a blurred city skyline beyond. The screen fixed to the railing for privacy is the attached screen material. Warm late-afternoon light, calm urban-retreat mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

19 · Desert-modern xeriscape

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A sun-baked desert-modern garden with sculptural cacti and succulents, pale gravel, large boulders and a low concrete bench. The boundary wall behind the planting is the attached screen material. Intense clear daylight with crisp shadows, arid architectural mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.

20 · Cottage garden path (summer)

Use the attached image as the exact fence / privacy-screen material – match its texture, weave, colour and direction faithfully; it is a real installed garden fence seen at mid-distance, in sharp focus, as the backdrop of this scene. A romantic cottage garden with a gravel path winding past billowing borders of lavender, foxgloves and roses, a weathered timber bench and a galvanised watering can. The fence running along the border is the attached screen material. Soft warm summer light, nostalgic English-cottage mood. Photorealistic editorial photograph, full-frame camera, 35mm, deep focus, realistic textures. No people, no text, no logos, no watermark. Keep the left third calmer and slightly shaded for headline text overlay. Landscape 16:9, ultra-detailed, 1792×1024.
